

Accessing Quotes on VWR.com via B2B (Punch-Out)

My Quotes feature on VWR.com allows customers to quickly access and order from quotes generated by a VWR Sales Representative. Whether you are ordering in bulk, ordering miscellaneous/specialized products, or standard catalog products; retrieving your VWR quote is fast and easy:

- Contact your VWR Sales Representative to have quote created.
- Users will then receive an automated email from VWR containing details of the quote.
- Once logged into VWR.com, users will see their current list of quotes in the 'My Quotes' section.
- Users can then view, add, remove, and change quantity as desired.
- Other items found through search or personal shopping list can also be added to the same shopping basket and purchased on the same order.
- Continue your check out process online to utilize VWR.com's ordering features to ensure your order is processed as quickly as possible.

The screenshot shows the VWR.com interface. At the top, the user is logged in as 'brad@brad.com'. The navigation bar includes 'A to Z PRODUCTS', 'Search by DISCIPLINE', 'All our SERVICES', and 'MORE...'. The 'My Account' dropdown menu is open, highlighting 'MY QUOTES'.

The 'My Quotes' section displays a table of quotes:
