

Grade Distributions for Professor [REDACTED]

Jacobs School of Medicine and Biomedical Sciences - [REDACTED]

Below are the 2013-2015 grade distributions for the [REDACTED] in the medical curriculum for which Dr. [REDACTED] is the course director ([REDACTED]). He has taught this course since 2000. He teaches many but not all of the sessions in this course.

Spring 2015

Mean - 88.48%

Standard Deviation - ± 6.77

Final Grade Distribution:

H = 73

S+ = 36

S = 28

U = 4

List of Students who did not pass:

Student #1: Average 72.11% U

Student #2: Average 60.70% U

Student #3: Average 72.11% U (also did not pass Spring 2015 IMC [REDACTED] - 70.79%)

Student #4: Average 72.11% U (also did not pass Fall 2014 [REDACTED] - 58.19%)

Spring 2014

Mean - 88.33%

Standard Deviation - ± 6.84

Final Grade Distribution:

H = 71

S+ = 34

S = 35

U = 4

List of Students who did not pass:

Student #1: Average 58.71% U

Student #2: Average 68.18% U (also did not pass Spring 2014 [REDACTED] - 69.60%)

Student #3: Average 71.57% U (also did not pass Fall 2013 [REDACTED] - 66.70%)

Student #4: Average 68.43% U (also did not pass Fall 2013 [REDACTED] - 65.60%)

Spring 2013

Mean - 88.84%

Standard Deviation - ± 5.57

Final Grade Distribution:

H = 75

S+ = 41

S = 29

Grade distributions were included where available; the majority of medical courses are co-taught and thus grade distributions are not available for our faculty.

School of Dental Medicine - [REDACTED]

Below is final grade distribution data for the dental school course which Dr. [REDACTED] served as course director in [REDACTED]. Dr. [REDACTED] teaches approximately 75% of the sessions for this course, which is attended by dental school and medical school graduate students.

2014 [REDACTED]

89 Students:	A	40
	B	41
	C	8

2015 [REDACTED]

92 Students:	A	7
	B	44
	C	33
	F	8
