UB Internal Funding Opportunity

OVPRED Planning Grants to Support Multi-Institutional Grant Applications

Applications
accepted on
a rolling
basis

Planning Grants of up to \$2,000 are available to support the submission of multi-institutional applications for extramural support. Funds may be used to support travel and meeting costs associated with planning extramural applications. Funds may not be used to support purchase of research supplies or personnel costs.

- Extramural applications must be led by UB, include external participants, and carry total costs exceeding \$5 million (for the duration covered by the extramural application)

Required Documents - 2 pages max.

- Title and Brief Description of the proposed inter-institutional grant application
- List of participating institutions and faculty
- Total request for support for planning grant expenses
- Targeted funding agency for extramural proposal
- Outline of proposed budget for extramural application

Funding Available

- Up to \$2,000 may be requested

Deadlines

- Applications will be accepted and reviewed on a rolling basis

To Apply

To submit a proposal in response to this funding opportunity, please return the required document(s) noted above as one PDF to fundingopps@research.buffalo.edu.
